

Lowell E. Lingo, Jr.'s challenge details for challenge: [Solar Prize Round 6](#)

Generated at Thu Oct 06 2022 06:51:13 GMT-0400 (Eastern Daylight Time)

Explanation

DFI is a group of individuals who have invested more than \$75,000 into Geo-solar Exergy Storage Technology (GEST). Our partner Mark Bomberg is a world-renowned building physicist who has purchased a prototype house in Florida. This Challenge provides the opportunity to expand our technology from northern climates to warm southern climates. A real estate agent who has joined our team is an expert in marketing, but our marketable project needs funding to get established.
